 NB In addition to the classes you have entered, your cat may be also handled for the purpose of assessing candidates the GCCFI program for training judges

DECLARATION BY EXHIBITOR

(In cases of joint ownership, all owners must sign)

I/We am/are the registered owner(s) of the cats and/or kittens named on the accompanying entry form and I/we agree to be bound by and submit to the Constitution and Rules of the GCCFI presently in force and to any additional rules formulated specifically for this show, provided only that the latter do not conflict with the former.

No cat owned by me/us or living at the same address will be exhibited at or entered for any show or public exhibition within thirteen days prior to or following the date of this show.

In the event of ear-mite infestation being diagnosed in my/our cattery/household by a Veterinary Surgeon, no cat owned by me/us and/or living at the same address will attend any show until such time as all the cats owned by me/us and living at the same address have been examined by a Veterinary Surgeon and pronounced free from ear-mite infestation.

In the event of ringworm infection being diagnosed in my/our cattery/household by a Veterinary surgeon, I/we will inform the GCCFI Secretary and neither I/we nor any cat owned by me/us or living at the same address will attend any show until a Clearance Certificate, as required by the GCCFI, has been obtained.

In the event of any other infectious disease (with the exception of Feline Leukaemia Virus, Feline Immunodeficiency Virus and Feline Infectious Peritonitis) being diagnosed by a Veterinary Surgeon in my/our cattery/household, no cat owned by me/us or living at the same address will attend any show until one month after all the cats owned by me/us and/or living at the same address have been examined by a Veterinary Surgeon and pronounced free from any evidence of the disease in question.

I/We undertake not to show any cat giving a positive reaction to a blood test for Feline Leukaemia Virus or Feline Immunodeficiency Virus. (Council strongly recommends that all cats be tested regularly)

In the event of a death from Feline Infectious Peritonitis having occurred in my/our cattery/household within the past year or if there are strong indications that an FIP problem exists in my/our cattery/household, I/we agree that no cats/kittens owned by me/us or living at the same address will be exhibited at this show.

I/We agree to abide by any decision regarding rejection made by the Veterinary Surgeon,

To the best of my/our knowledge, the cat(s) entered for this show have not been subjected to any surgery to correct any defect listed in the GCCF Standard of Points.

I/We confirm that we have read and understand the GCCFI rules as printed in this schedule.

Signed (Registered owner/s).....Date.....
