Cats entering the adult and neuter classes must be 9 calendar months or over on show day. Kittens **under the age of 14 weeks** on show day must not be shown (in competition or on exhibition).

- 4 The entry form must be accurately completed. The onus is on the exhibitor to enter in the correct classes and to enter all details to correspond with the details on the registration/transfer certificate. Each competitive exhibit must be entered in its breed class.
- 5 No cat or kitten may attend any show or public exhibition less than 13 days prior to or following the date of the show being entered. **This applies to all cats living at the same address.**
- 6 GCCFI health declaration must be carefully read, signed and the rules specified therein must be observed. If the cat is in joint ownership, either owner may sign.
- 7 Correct Entry Fees as specified in Schedule must be enclosed.
- 8 Entries and fees must be returned by designated closing date.
- 9 Entries may be withdrawn before published closing date by writing to Show Manager. Fees will be returned.

- 14 Exhibits should be in good health, free of all outward sign of illness or skin disease or vermin infestation.
- 15 All exhibits must be presented to the appointed Veterinary Surgeon(s) for examination before entering the penning area. Exhibitors with a number of exhibits must present all to the same Veterinary Surgeon for examination.

- 16 **All exhibits are required to have current vaccination against F.I.E. and cat flu. Certificates to be dated at least 7 days prior to the date of show.** Certificates must be brought and will be checked at vetting-in. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, to the Show Manager within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccinations received.
- 17 Exhibits rejected by the Vet may not enter the show hall.
- a) Depending on the reason for rejection the Vet may disqualify other exhibits from the same household or cattery and in some instances the owner(s) may also be refused entry.
 - b) Rejection under sections B, C, & D of the Rejection Form means that the owner will have to supply a Veterinary Clearance Certificate to the GCCFI (Show Manager) and receive acknowledgement of its acceptance before entering another show.
 - c) Veterinary Surgeons are instructed not to admit adult monorchid or cryptorchid male cats.
 - d) Queens which are pregnant, lactating or have kitted within the past 12 weeks may not compete.
 - e) A de-clawed cat must be rejected.
 - f) The Veterinary Surgeon (or a Judge) may disqualify from competition any cat or kitten which in their opinion is very under-developed or in very poor condition.
- 18 During the course of the show, if the official Veterinary Surgeon is not readily available, the Show Manager alone is empowered to take decisions concerning the well-being of the cats.
- 19 In the case of veterinary rejection the exhibitor will receive a signed rejection slip from the Veterinary Surgeon, also a clearance form which in due course the Exhibitor's own Veterinary Surgeon should complete and return to the Show Manager. Following rejection either at GCCF or GCCFI shows, a clearance certificate must be sent to GCCFI and acknowledgement received before the exhibits may compete at another show under either GCCF or GCCFI rules. In the case of rejection fees will not be refunded.
- 20 The decision of the Vet is final and not subject to appeal.
- 21 Exhibits arriving too late for the Veterinary examination may not enter the show and fees will not be refunded.
- 22 If an exhibit seriously bites or scratches a Veterinary Surgeon, Judge or Steward, the matter must be reported to the Show Manager by the injured party. It is then the duty of the Show Manager to withdraw the exhibit from that show and to notify the owner in writing, while sending a copy to the Secretary GCCFI. If the Exhibit was defending itself in exceptional or frightening circumstances, this information should also be given to the Secretary GCCFI so that it may be reported to the Executive for consideration. If the exhibit is reported for biting or scratching at another show it shall be disqualified from participating at all future shows, both for competition and/or exhibition, unless the Executive rules otherwise.
- 23 The Show Manager may require any exhibit which shows undue distress for any reason to be withdrawn from the Show. In such a case the exhibit will be disqualified from further competition on the day.
- 24 Any exhibit which cannot be safely handled (CNH) in or out of the pen by a Judge and/or judge's Steward, will be disqualified, with forfeiture of the relevant entry fees. A Judge's decision in this matter is final. The Judge is at liberty to request the Show Manager to display a warning notice on the pen.
25. Any complaint arising from the show should be made to the Show Manager on the day. Any complaints made after the show must be submitted on the official complaints form (available on the website) and sent with the fee to the Secretary, who will circulate to the Investigation Panel.

a. The use of grooming aids in the show hall other than the use of a clean brush and comb or cloth is prohibited. No powder or other grooming substances may be left in the coat of an exhibit. The show manager upon being satisfied that this rule has been or is being broken shall disqualify the exhibit concerned from all remaining classes at the show. Awards made prior to disqualification will not be forfeited.

b. Any exhibit prepared for show in any artificial manner which changes its appearance relative to the Standard of Points shall be disqualified by the show manager upon receipt of a form signed by the Judge concerned and one other judge who is on the Best in Show panel. The judges should state that in their opinion there had been a breach of this rule. In the event of such a disqualification of an exhibit any person deliberately breaching this rule may be liable to disciplinary action and all awards shall be held in abeyance until the result of such action is decided.

c. Such preparation includes the uses of powder, dyes, other colouring matter or whitening or darkening substances, or any oils or greasy preparations, or any other cleaning substances which remain in the exhibit's coat during the show; it includes also trimming, clipping, singeing or rasping down of the fast coat.

If pointed out at a reasonable time during the Show, errors which have occurred as typing, printing or other managerial mistakes will be corrected in the judges' books and other relevant paper work.
