

CORK CAT CLUB SHOW - 8.9.24

Mrs Sally Tokens

A huge thank you to Colm, Rowena, Lavinia, Brendan and the rest of the committee and helpers, just so many to mention as everyone worked so hard. I had a wonderful weekend judging and thank you too for the excellent hospitality, Blarney was a beautiful place to visit. My steward was Alan who is always a pleasure to work with.

HIBERNIAN GRAND CHAMPION (INVICTUS CLASS) MALE; IA; Wagner TARA HIB GR CH ISHCUS FRANKLIN blue smoke Maine Coon of just over seven years old. Huge heavyweight lad with a rectangular body shape. Long tufts to large ears which are set well apart, good width to the cheeks and nice strength to the muzzle. Bite looks level with a number of teeth missing. Gold eye colouring to the eyes which have a slightly oblique aperture and set. Slight concave curve to the profile. Soft top coat and a small amount of undercoat. A small amount of shading to the back (possibly been sun bathing). Some smoke evident. Tail balances and lightly covered.

HIBERNIAN GRAND PREMIER (INVICTUS CLASS) FEMALE; IN; Wagner SUP HIB GR PR & IN PR ISHCUS QUEVAGA tortie classic tabby and white of five years old. A very friendly female who was a dream to handle. Super bone structure and lovely body shape with a good weight. Ears set quite high with a good width apart and long tufts to the tips. Cheeks are fairly full and nice square muzzle. Slight concave curve to the nose and a level bite. Chin near level and has a good breadth. Green eye colouring to well-shaped eyes. White to her paws, chest and in between her back legs. Butterfly marking to her shoulders, markings on her sides. M to the forehead and lines across the cheeks. Soft top coat and a small amount of undercoat. Very well presented and attractive colouring.

SEAL COLOURPOINT ADULT; 1 CC & BOB; Garcia HINCHKITZ DARLYN MIRANDA three and a half years old. A good sized female who has a short cobby body and very nice weight, she is bigger than she looks in the pen. Small ears set low on the side of the head, cheeks are nicely rounded and she has a short broad nose with a good stop. Bite just a touch undershot. Large rounded eyes of a medium blue colouring. Coat of a good length and nice texture, she is lacking in undercoat at present, probably yet to develop her winter coat. Some shading to the body but still affording to a contrast with the points. Tail is fully coloured and lightly furnished.

AOC SELF COLOURPOINT ADULT; 1 CC & BOB; Garcia SYLVABOW FIREBIRD ANASTASIA red colourpoint female who is quite compact but with a lovely solid feel, nicely muscled for her age and lovely weight. Her skull is fairly rounded and she has small ears and a good width to the top of the head between the ears. Full and rounded cheeks with a nicely formed muzzle. Short broad nose with a good break. Her eyes are a nicely rounded shape when she opens them fully and just a medium blue colouring. Nice red colouring to cheeks and nose with the outer edges of the mask just very slightly lighter in colouring. Full tail which is short and showing a very good depth of red. Soft texture to the coat with some undercoat.

MAINE COON BROWN/BLUE TABBY ETC. NEUTER; 1 PC; Shackleton ISHCUS ROGER brown classic tabby who is not yet two years old and very well grown for his age. Good length to the body and lovely shape. Strong legs and large rounded paws. Very long tufts to the tips of the ears which are well positioned. Cheeks are fairly full and high

set. Slight concave curve to the profile, square muzzle and a level bite. Eyes have a slightly oblique aperture and set and green colouring. Level bite with the chin showing a nice depth just a touch more breadth for perfection. Pattern a little solid along the spine, good butterfly marking to the shoulders. Lovely markings to the sides and nice facial markings. Tail balances with the body length and is well covered.

BOB; Wagner SUP IS HIB GR PR & INT PR SILVERFERN FRENCH KISS brown classic tabby and white who is six and a half years old. Such a laid back lad who knows how to show himself well. Excellent weight and bone structure with a good length to the body and super shape. Strong legs with large tufted paws. Ears are large and set quite high with a good width apart. Fairly full cheeks and high set cheek bones. Lovely shape to the eyes which have a nice green colouring. Profile showing a slight concave curve at the nasal bridge. Square muzzle and nice depth and breadth to the chin with a level bite. Full coat which has been groomed to perfection, soft top coat and a small amount of undercoat. Spine line evident and oysters can just be seen to the flanks, butterfly marking to the shoulder and well-marked m to the face with lines running across the cheeks. White to the paws, chest and tummy. Tail balances with the body and is very nicely furnished. A dream to handle and he just flopped on the table, so chilled and like a true professional.

MAINE COON RED TABBY SERIES NEUTER; BOB; Wagner SUP HIB GR PR & IN PR ISHCUS QUEVAGA repeat.

AOC MAINE COON NEUTER MALE; 1 PC; Frizelle FRIENDLYGHOST CASSINI red and white boy of just over two years old. Wonderful temperament and a delight to handle. Rectangular body shape and very good bone and substance. Ears are large and set quite high with a good width apart. Fairly full cheeks with high set cheek bones. His eyes have a slightly oblique aperture and set, profile having a slight concave curve. Level bite and nice breadth and depth to the chin. Rich red coat colour with just the odd tabby marking. White paws, chest and in between the front and back legs. Soft top coat with a limited amount of undercoat. Tail reaching the shoulders and lightly covered.

AOC MAINE COON NEUTER FEMALE; 1 PC & BOB; Wolanska KUGLIN KIYARAS YALLA tortie female who is just over four years old. Strapping lass with a very nice rectangular body shape and good substance. Large ears set quite high with a good width apart and long tufts to the tips. High set cheek bones with the cheeks fairly full. Slight concave curve at the nasal bridge to the profile, level bite, square muzzle and nice breadth and depth to the chin. Green colouring to the eyes which were very nicely shaped. Soft top coat and a nice amount of undercoat. Excellent red and black colouring to form the tortie pattern. Very nicely presented. Tail balances with the body length and is very well furnished. Friendly female who is easy to handle.

2 Healy BLACKJAGUAR LANA tortie smoke female who is just over nine months old. Good length to the body which is a lovely shape, strong legs and nicely rounded paws. Large ears which are nicely positioned and have long tufts to the tips. Slight concave curve to the profile and fairly full cheeks which are set quite high. Slightly oblique aperture and set to the eyes that are a light goldy/green colouring, just a smidge deep set. Square muzzle can be felt and the chin has a nice depth and breadth. Level bite.

Lovely black and red to the coat and the smoke undercoat is evident. Tail lightly furnished and reaching the shoulder blades. Another lass who was easy to handle. 3 Shackleton ISHCUS WHISPERING WILLOW black smoke of just over a year old. Lovely temperament and purring all the time, she was a poppet. Ears are large and set quite high with a good width apart and lovely long lynx like tufts to the tips. Her cheeks are fairly full and she has high set cheek bones. Slight concave curve to the profile. Eyes with a slightly oblique aperture and set with a gold colouring. Square muzzle. Level bite. Nice breadth and depth to the chin. Soft texture to the top coat and a small amount of undercoat present. Lovely jet black colouring with a minimal amount of smoke evident. Tail is very well furnished and in proportion to the body length.

CORNISH REX ADULT; BOB; Howard GR CH & INT CH COCO WAVE CULT black and white lad of nearly three years old. Nice feel to the body which is hard and muscular. Long straight legs with small oval paws. High cheek bones to a medium wedge being around a third longer than wide. Flat skull and a straight line to the tip of the nose. Level bite and chin almost in line. Large ears which have a good width at the base and I would have liked them a touch higher for perfection. Oval shaped eyes of a light green colouring. Tail of a good length and with a nice covering of lightly waved fur. Short coat with a silken texture, just lacking in density at present. Loose wave along the spine with a tighter wave along his sides. Slight wave to the legs. White chevron to the face, white to the chest, tummy and legs.

ORIENTAL SELF; 1 CC & BOB; Smidta SHAGIO-CHEN KESAR MANGO cinnamon lad of just over a year old. Long svelte body with the body, legs and feet all in proportion. Small oval shaped paws. Tail of a good length and tapering, in proportion to the body length. Head has a nice width between the ears and fine muzzle. Just a tiny dip to the profile and a level bite. Chin almost in line with the end of the nose. Large ears which are well placed and have a good width at the base, eyes of an oriental shape and nice gooseberry green colouring. Short coat which is soft to touch and has a nice gloss. Lovely warmth to the coat colour which is sound and even to the roots.

SIAMESE SELF POINTED; 1 CC & BOB; O'Shea LOYAL-LUXURIOUS AZULA seal point lad of eighteen months old. Medium sized lad with a nice length to the body that is svelte. Slender legs with small oval shaped paws. Head is nicely proportioned with nice width between the ears and a tiny dip to the profile. Just a touch more strength to the chin for perfection. Level bite. Large ears that are wide at the base and set to follow the lines of the wedge. Oriental shaped eyes showing a nice clear blue colouring. Short coat which is close lying. Some shading to the body but just affording to a contrast with the points colour.

ORIENTAL SELF KITTEN; 1 & BOB; Smidta ASIANHEADS BASTET a wee baby black kitten of nearly four months old. A very well put together youngster! Well developed for his age with a nice length to the body that is svelte, body, legs and feet are all in proportion and he has small oval shaped paws. Tail long and tapering. Head is very nicely proportioned with good width between the ears. Straight profile and a level bite. Just showing a very slight whisker pinch at present. Firm chin. Large ears that are wide at the base and set to follow the lines of the wedge, oriental shaped eyes can be seen when he is relaxed, he tends to open them fully and spoil the shape, nice depth of olive green colouring still developing. Jet black coat which is short and fine, wonderful gloss

and sheen to the coat, soft to touch and close lying. Free from any white hairs and very well presented. Such a sweetie!
